C4DSIC Meeting Notes 4/18/19

We took a first stab at active language development and idea generation for the Mission, Vision, and Values for C4DISC.

NEXT STEPS ARE AS FOLLOWS:

1. Between 4/18 and 5/3: Every participant should review, revise, and edit freely using the
2. By 5/3: Every participant should choose at least 1 Mission statement, at least 1 Vision statement, and at least 1 set of Values and paste those selections beside your name in this FINALIZATION document.
3. You are welcome to choose other people's statements--convergence on a few directions often occurs in this process. Having your name associated with a statement is not the same thing as claiming ownership of it--it's simply a vote for it.
